## EXPERIENCE

### Royalline Tech, Uyo — *Software Engineer*

Oct 2010 - 2014

Worked as a contract staff where I developed scalable products and designed a database management system, and also solved technical issues.

### Ibedmore Resources, Uyo — *Technical Official*

June 2014 - MONTH 2016

I was the only IT personnel in the company at the time focused on software-driven resources.

### OZ BRANDING & WEARS, Calabar — *Manager*

OCT 2017 - 2023

As the first manager of the company that deals in fashion-driven products. I create fashion products, create webpages for the company as well design its database system.

### JACKISA.COM, Uganda — *Software Engineer*

May 2024 - Present

As a Lead software engineer, I developed the web/mobile application for a transport/logistic company based in Uganda. I worked remotely for JACKISA.COM.

## EDUCATION

### University of the People, USA — *BSc*

2021 - 2025

### University of Calabar, Calabar — *BSc*

2021 - 2025

## PROJECTS

## SKILLS

Programming Languages:  
JavaScript, HTML, CSS, Java,  
Python

Web Technologies: React,  
Node.js, Express.js, RESTful  
APIs

Database Management:  
MongoDB, MySQL

Version Control: Git, GitHub

Tools: Visual Studio Code,  
Eclipse, Jira

Soft Skills: Problem-solving,  
Communication, Team  
Collaboration

## Objective

Passionate and innovative  
Web and Software Developer  
with 8 of experience creating  
and implementing innovative  
web and software solutions.  
Adept at identifying and  
solving challenging problems,  
collaborating with  
cross-functional teams, and  
staying current with  
emerging technologies.  
Seeking to leverage my skills  
and expertise to contribute to  
a dynamic development team.

## LANGUAGES

## Fine Wood Furniture — *Fine Wood Furniture website*

### Professional Experience

Web Developer Royalline Technologies, Uyo, Akwa Ibom State 2012

- Developed responsive and user-friendly web applications using HTML, CSS, JavaScript, and modern frameworks such as React.
- Collaborated with design and product teams to implement visually appealing and intuitive user interfaces.
- Integrated third-party APIs to enhance functionality and improve overall user experience.
- Conducted code reviews and provided constructive feedback to peers for continuous improvement.

### Volunteer Experience

Web Development Volunteer | Assurance Furniture, Calabar, CRS | 2019 - Present

- Collaborated with a non-profit organization to design and develop a responsive and user-friendly website to enhance their online presence.
